## Overview

---

## Notes

“Front”, “Back”, “Left”, & “Right” are from the viewpoint of facing the 1600 mm side that is the kitchen front when deployed & to the front when stowed. That makes “left” & “right” opposite

to car driver's seat viewpoint.

## Abbreviations

---

To be concise a number of arbitrary abbreviations are used throughout these docs. These are all defined here.

<b>LH</b> Left Hand	<b>RH</b> Right Hand	<b>D</b> Drawer
<b>LF</b> Left hand Front	<b>RF</b> Right hand Front	<b>Dn</b> Drawer 1 to 5
<b>LB</b> Left hand Back	<b>RB</b> Right hand Back
