Overview

Notes

“Front”, “Back”, “Left”, & “Right” are from the viewpoint of facing the 1600 mm side that is the kitchen front when deployed & to the front when stowed. That makes “left” & “right” opposite

to car driver's seat viewpoint.

Abbreviations

To be concise a number of arbitrary abbreviations are used throughout these docs. These are all defined here.

LH Left Hand	RH Right Hand	D Drawer
LF Left hand Front	RF Right hand Front	Dn Drawer 1 to 5
LB Left hand Back	RB Right hand Back
