Overview

Notes

“Front”, “Back”, “Left”, & “Right” are from the viewpoint of facing the 1600 mm side that is the kitchen front when deployed & to the front when stowed. That makes “left” & “right” opposite to car driver’s seat viewpoint.

Abbreviations

To be concise a number of arbitrary abbreviations are used throughout these docs. These are all defined here.

LH	RH	D
Left Hand	Right Hand	Drawer
LF	RF	Dn
Left hand Front	Right hand Front	Drawer $n = 1$ to 5
LB	RB	
Left hand Back	Right hand Back
